|---------------------|---|
| Performers and Crew | <ul style="list-style-type: none">• A maximum of 15 performers and crew are allowed on stage and backstage at any given time<ul style="list-style-type: none">○ This includes a maximum of 10 performers who can be unmasked at any given time. Of the 10 unmasked performers, no more than 5 performers can speak at any given time. Even if the speaking performers are masked, they count towards the cap of 5 speakers.• All performers, crew and other staff should not mingle. Personnel who are not deployed as onstage/backstage crew should not go onto the stage/backstage area at all times. |
| | <p><u>On Stage</u></p> <ul style="list-style-type: none">• Performers should maintain at least 1m safe distance from others, although transient contact between performers during a performance is acceptable.• All unmasked performers engaged in speaking, singing and/or the playing of wind/brass instruments should maintain at least 2m safe distance from others.<ul style="list-style-type: none">○ As a best practice, they should try not to position themselves directly opposite each other and are encouraged to speak/sing away from each other. If they cannot do so, they should maintain more than 2m distance apart from each other.○ Individuals playing wind or brass instruments should ensure that these instruments are fully intact, and refrain from training practices involving only parts of the instrument (e.g. mouthpiece buzzing, playing with just the lead pipe) to prevent droplet transmission. Liquids from instruments (i.e. condensation and saliva) should be collected and disposed of hygienically after the rehearsal or concert.• All unmasked performers are encouraged to wear face shields while performing. The number of unmasked performers using face shields will count towards the maximum number of unmasked performers allowed. |
| | <p><u>Backstage</u></p> <ul style="list-style-type: none">• All performers and crew backstage must remain masked at all times unless absolutely necessary (e.g. for short costume changes and make-up application), and practice safe distancing of 1m between individuals as far as possible.• There are to be no unauthorised and/or unannounced visitors to the performance/ backstage area. Only authorised personnel as per call sheet should be allowed at the location. |
