A screenshot of the Science Centre Singapore booking website. The page has a white background with orange accents. At the top, there are navigation tabs: "My Bookings" and "New Bookings". On the right, it says "Welcome user | [My Profile]". Below this is a main navigation bar with three buttons: "Topics" (highlighted in orange), "Register Class Schedule", and "Confirm Booking". The main content area is divided into three sections. On the left, there is a "Select a Grade" dropdown menu and a list of subjects: Astronomy, Chemistry, Digital Media, DNA, Gallery Programmes, Kitchen Science, Life Science, Lower Primary Programs, Mathematics, New Classes, Physics (highlighted in blue), Robotics, Special Temporary Exhibitions, and Tinkerer's Lab. In the middle, there is a "[Search Topic]" search bar and a list of topics: Electromagnetism, Energy Lab, Fascinating Light, Green Energy: Windmill, Heat & Temperature, Heat Shield, Impact, Into the World of Paper Airplane, Light (highlighted in blue), Magnets, Materials@Work, Power Forever, Properties of Forces, Scientific Problem Solving, Shake Rattle and Roll, Solar Energy (Heat), Solar Energy (Light), Water Rockets, Wonderful Waves, and World of Energy. On the right, there is a "Synopsis" section for the selected "Light" class. It features the Science Centre logo and the text "Light" in a large font. Below the title, there is a paragraph of text: "Explore the nature of light with a series of hands-on activities in this fun-filled workshop, where you investigate how different mirrors, lenses and materials affect how light travels. The workshop will also cover aspects of colours, shadows and light as a form of energy." At the bottom right of the synopsis, there is a "Next" button. At the very bottom of the page, there is a small note: "*Best view on IE7 with resolution 1280*800".
