SECTION 1

ACCESSING COURSE CONTENT

1. ACCESSING COURSE CONTENT

1.1 YSBS Portal Login Page

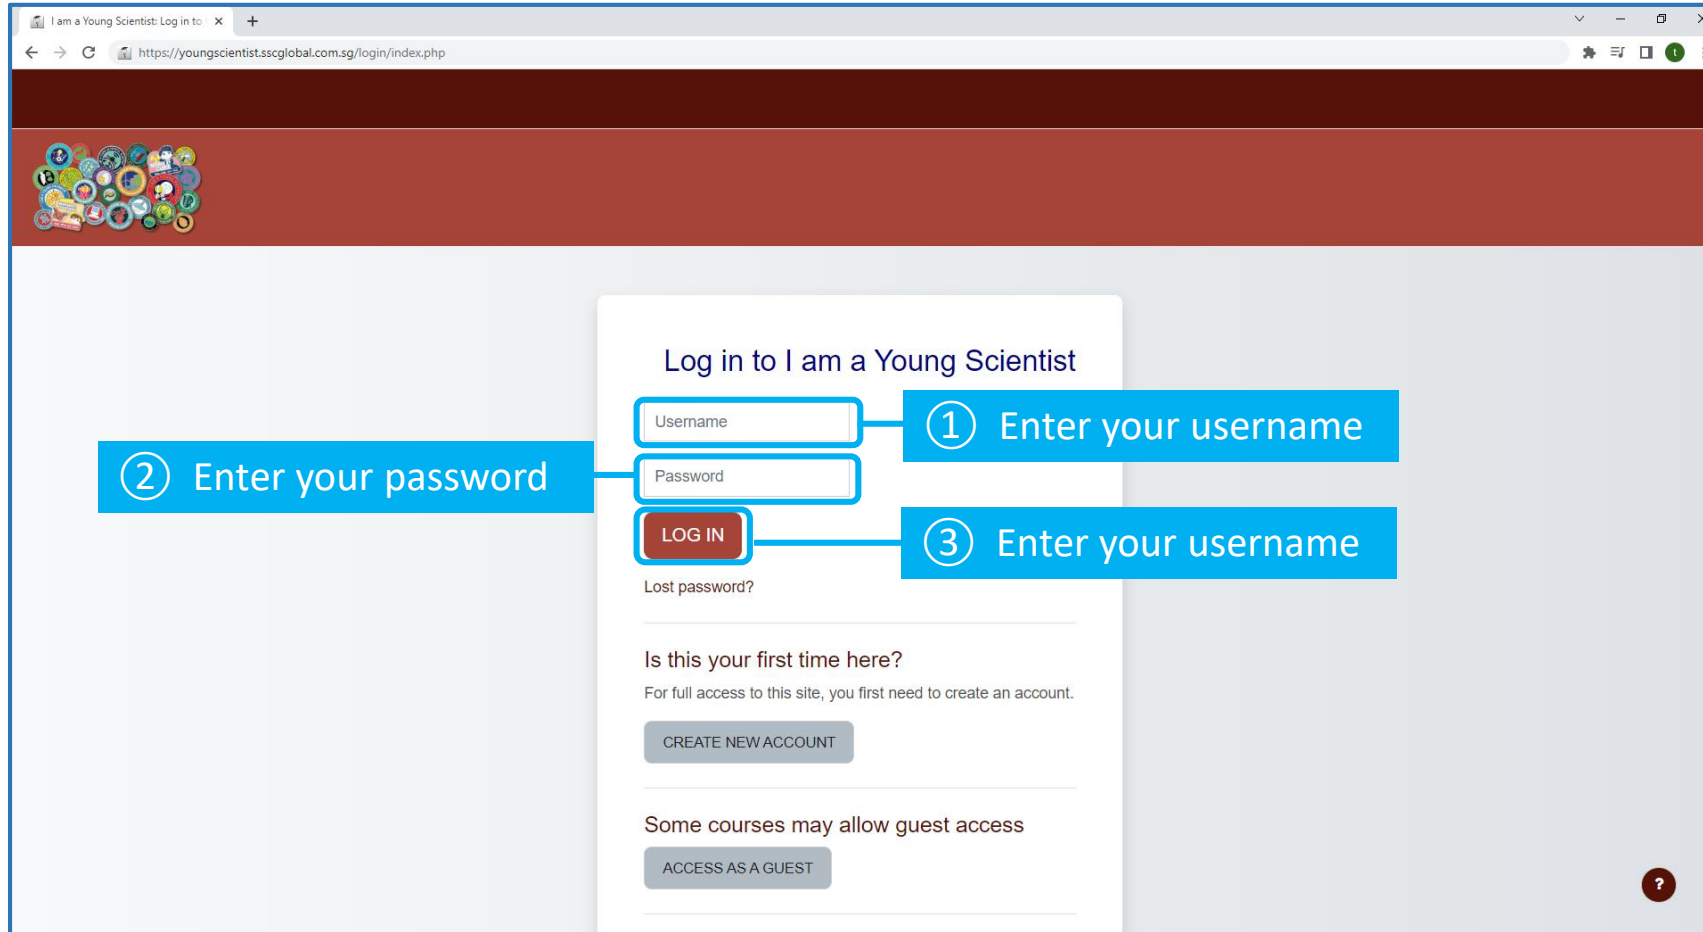

1. Access YSBS portal via SLS lesson or by using the provided link: <https://youngscientist.sscglobal.com.sg>
2. Click on 'Log in' located at the top right corner of the page.

1. ACCESSING COURSE CONTENT

1.2 Logging into YSBS Portal

If you forget your username or password, you can request your login credentials again from your teacher.

The screenshot shows a web browser window with the URL <https://youngscientist.sscglobal.com.sg/login/index.php>. The page features a dark red header with a circular collage of science-related icons on the left. The main content area is light gray and contains a white login form titled "Log in to I am a Young Scientist". The form includes a "Username" input field, a "Password" input field, and a red "LOG IN" button. Below the form are links for "Lost password?", "CREATE NEW ACCOUNT", and "ACCESS AS A GUEST". Three blue callout boxes with white text and numbers are overlaid on the form: "1 Enter your username" points to the Username field, "2 Enter your password" points to the Password field, and "3 Enter your username" points to the LOG IN button. A small red question mark icon is visible in the bottom right corner of the form area.

1. ACCESSING COURSE CONTENT

1.3 Successful Login

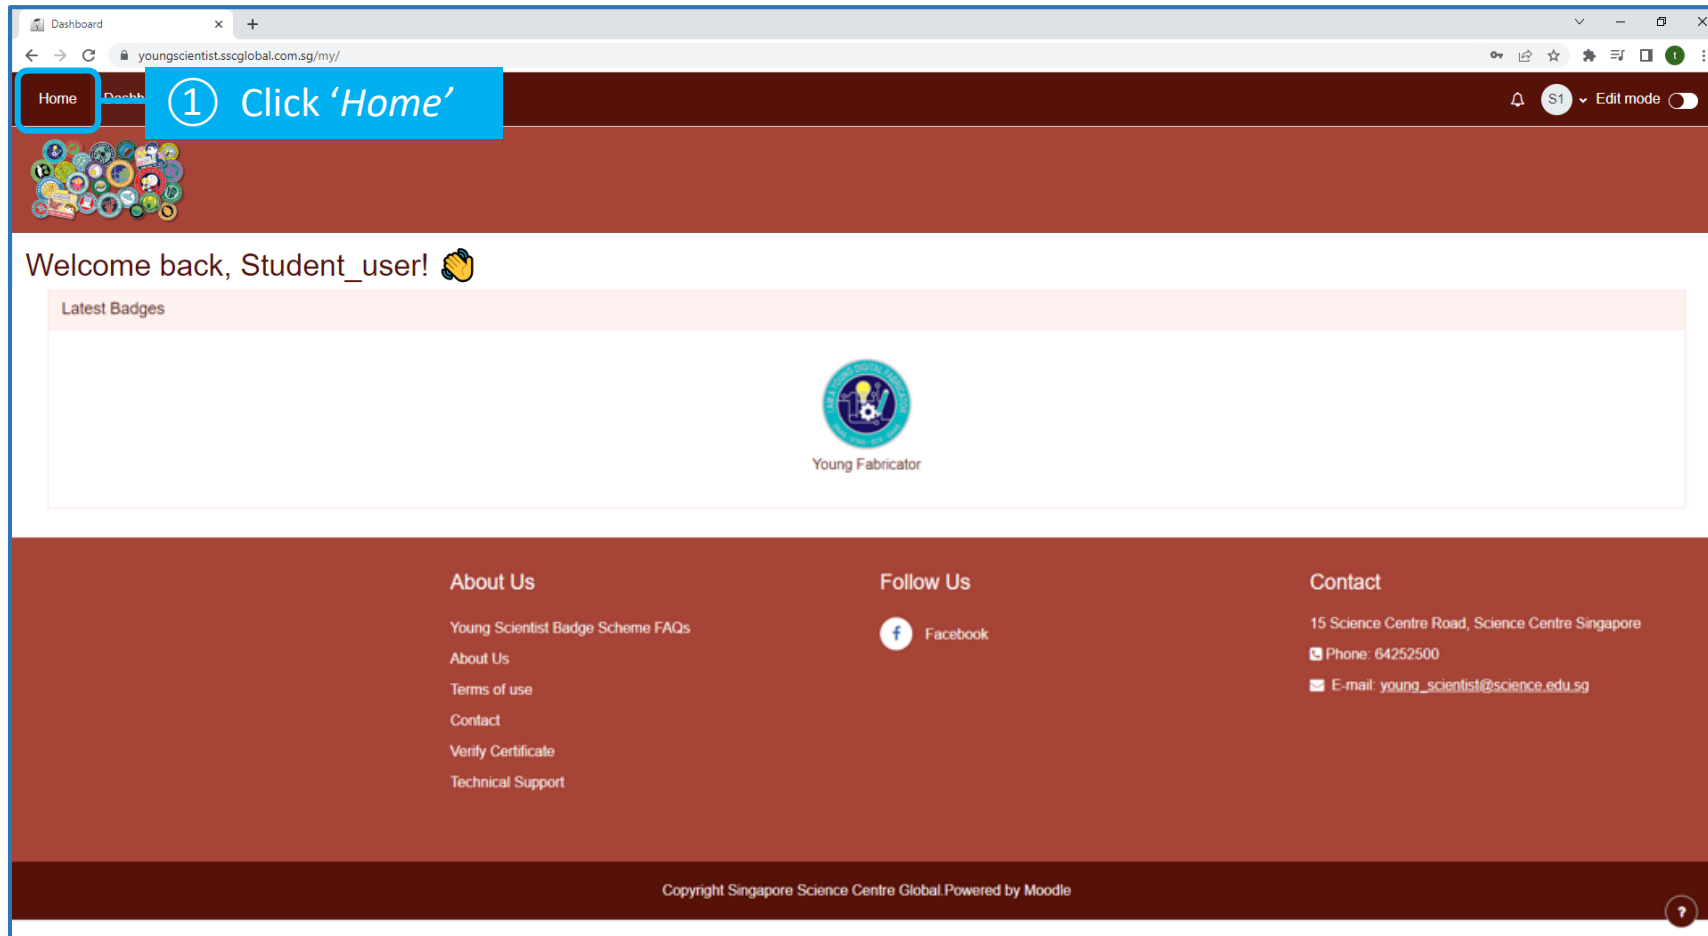

Upon a successful login, the user dashboard page will appear, displaying all the awarded eBadges.

The screenshot shows a web browser window with the URL `youngscientist.sscglobal.com.sg/my/`. The page has a dark red header with navigation links: Home, Dashboard, and My courses. On the right of the header, there is a notification bell, a user profile icon labeled 'S1', and an 'Edit mode' toggle. Below the header is a grid of colorful eBadges. A white banner below the grid says 'Welcome back, Student_user!' with a hand icon. A blue-bordered box highlights the 'Latest Badges' section, which contains a single badge for 'Young Fabricator' with a circular logo. The footer is dark red and contains three columns: 'About Us' (with links to FAQs, About Us, Terms of use, Contact, Verify Certificate, and Technical Support), 'Follow Us' (with a Facebook icon), and 'Contact' (with address, phone number, and email). A copyright notice 'Copyright Singapore Science Centre Global. Powered by Moodle' is at the bottom.

① eBadges awarded

1. ACCESSING COURSE CONTENT

1.4 Viewing Portal Announcements (1)

The screenshot shows a web browser window displaying a Moodle dashboard. The browser's address bar shows the URL `youngscientist.sscglobal.com.sg/my/`. The dashboard has a dark red header with a navigation menu containing 'Home' and 'Dashboard'. A blue callout box with a circled '1' and the text 'Click 'Home'' points to the 'Home' link. In the top right corner of the dashboard, there is a notification bell icon, a user profile icon labeled 'S1', and an 'Edit mode' toggle switch.

Below the header, there is a grid of colorful circular icons representing various science topics. A welcome message reads 'Welcome back, Student_user! 🙌'. Underneath, a section titled 'Latest Badges' contains a large white box with the 'Young Fabricator' badge logo and name centered inside.

The footer of the dashboard is divided into three columns:

- About Us:** Links to 'Young Scientist Badge Scheme FAQs', 'About Us', 'Terms of use', 'Contact', 'Verify Certificate', and 'Technical Support'.
- Follow Us:** A Facebook social media link with the Facebook 'f' logo.
- Contact:** Address: '15 Science Centre Road, Science Centre Singapore'; Phone: '64252500'; E-mail: 'young_scientist@science.edu.sg'.

At the bottom center, the text reads 'Copyright Singapore Science Centre Global. Powered by Moodle'. A small question mark icon is visible in the bottom right corner of the dashboard area.

1. ACCESSING COURSE CONTENT

1.4 Viewing Portal Announcements (2)

Portal announcements will be displayed on the 'Home' page, under 'Featured Projects and Portal Announcement'.

The screenshot shows a web browser window with the URL `youngscientist.sscglobal.com.sg/?redirect=0`. The navigation bar includes 'Home', 'Dashboard', and 'My courses'. The main banner features two illustrations: one of a woman in a purple dress holding a butterfly, and another of a woman in a blue dress working with scientific equipment. Text on the banner includes 'Multi-disciplinary badges' and a 'Know More' button. Below the banner, the 'Featured Projects and Portal Announcements' section displays a post titled 'Young Energy Saver Trail' by Science Centre Singapore, dated Thursday, 11 May 2023, 11:49 AM. The post includes a thumbnail image of a badge and a 'Subscribe to forum' link.

1.6 Logging out of YSBS Portal

It is recommended to log out of the portal when not using it to ensure account security and a smooth experience for all users.

The screenshot shows the 'My courses' page of the YSBS Portal. The page features a navigation bar with 'Home', 'Dashboard', and 'My courses' links. Below the navigation bar is a header with a notification bell and a user profile icon labeled 'S1'. A dropdown menu is open, listing the following options: Profile, Grades, Calendar, Private files, Reports, Preferences, and Log out. The main content area is titled 'My courses' and includes a 'Course Overview' section with a search bar and sorting options. Below this, there is a grid of course cards, each with a title and a small icon. The courses listed are: 'I am a Food Scientist', 'I am a Young Astronomer', 'I am a Young Botanist', 'I am a Young Chemist', 'I am a Young Digital Fabricator', 'I am a Young Ecologist', 'I am a Young Energy Saver', 'I am a Young Engineer', and 'I am a Young Entomologist'.

① Click the dropdown

A close-up view of the user profile dropdown menu. The menu is open, showing a list of options: Profile, Grades, Calendar, Private files, Reports, Preferences, and Log out. The 'Log out' option is highlighted with a blue box. The user profile icon 'S1' is visible at the top of the menu.

② Click 'Log out'

SUBMITTING RESPONSE TO A TASK

3. SUBMITTING RESPONSE TO A TASK

3.1 Tasks in a Course

Star(s) is/are awarded when a **Task** is completed and a **Course** is deemed complete when 15 or more **Stars** have been obtained. All the tasks are listed on the page.

The screenshot shows a web browser window displaying a course page. The browser's address bar shows the URL `youngscientist.sscglobal.com.sg/course/view.php?id=22`. The page has a dark red header with navigation links for Home, Dashboard, and My courses. A sidebar on the left lists various tasks and projects, with 'Project 18' highlighted in a dark red box. The main content area displays 'Task 18 [3 points]' with a blue background. It features a 'MUSEUM' icon, the text 'Study trip!', 'SDG(s)', a clock icon, '3 hours', and three trophy icons. Below this is a white box for 'Project 18' with the instruction: 'Visit your local Science museum and find an exhibit that describes how your country takes on SDG(s). Explain how this exhibit helps you in your learning. Design and submit your own poster or video.' Below that is 'Task 19 [3 points]' with a 'Repurpose' icon, 'Goal 7', a clock icon, '90 minutes', and three trophy icons. A blue callout box with a white circle containing the number '1' points to the Task 18 section.

① Task 18 within a *Course*.

3. SUBMITTING RESPONSE TO A TASK

3.2 Viewing Tasks

Scroll down within a *Course* to view all the available *Tasks*.

The screenshot shows a web browser displaying a course page. The browser address bar shows the URL: `youngscientist.ssglobal.com.sg/course/view.php?id=22`. The page has a dark red header with navigation links: Home, Dashboard, My courses, and a user profile icon labeled 'S1'. A left sidebar lists tasks from Task 13 to Task 19. Task 16 is selected and highlighted in dark red. The main content area for Task 16 [3 points] includes:

- Task number and number of obtainable Star(s):** Task 16 [3 points]
- Name of Task:** Game changer!
- Estimated time to complete Task:** 2 weeks
- Number of obtainable Star(s) for the Task:** 3 stars (represented by three trophy icons)
- Reference materials to support Task completion:** Stranded Game

The task description for Project 16 is: "Take a video or a series of photos, showing how a seed grows into a plant. Describe the steps you took to grow the seed into a plant. Also, state the benefits of plants towards the environment and society." A "To do: Receive a grade" button is visible in the top right of the task description box.

3. SUBMITTING RESPONSE TO A TASK

3.3 Accessing the Task for Submission

The screenshot shows a web browser window with the URL `youngscientist.sscglobal.com.sg/course/view.php?id=22`. The page has a dark red header with navigation links: Home, Dashboard, My courses, and a user profile icon labeled 'S1'. A left sidebar lists tasks and projects, with 'Task 16 [3 points]' highlighted in a dark red box. The main content area displays 'Task 16 [3 points]' with a light blue banner. The banner features an illustration of a bean, the text 'Game changer!', 'Goal 2 & 11', a clock icon, '2 weeks', and three trophy icons. Below the banner, a task card for 'Project 16' is shown. A blue callout box with a circled '1' points to the 'Project 16' link, containing the text: 'To start on the Task, click on 'Project''. To the right of the task card, a 'To do: Receive a grade' button is visible. Below the task card, another blue callout box with a circled '2' points to a 'Stranded Game' link, containing the text: 'Click on additional resources to find out more information. These materials can help you in completing the Task.' The task card itself contains the following text: 'Take a video or a series of photos, showing how a seed grows into a plant. Describe the steps you took to grow the seed into a plant. Also, state the benefits of plants towards the environment and society.'

3. SUBMITTING RESPONSE TO A TASK

3.4 Viewing a Task

Young Sustainability Champion- Junior > Project 16

Project 16

To do: Receive a grade

Opened: Saturday, 28 September 2019, 12:00 AM

Take a video or a series of photos, showing how a seed grows into a plant. Describe the steps you took to grow the seed into a plant. Also, state the benefits of plants towards the environment and society.

① Read the instructions for the *Task*.

② Click 'Add Submission'

3. SUBMITTING RESPONSE TO A TASK

3.6 Submitting Response to a Task – File Submission

Please ensure that the files (e.g. images, videos) are clear, well lit and taken from an appropriate angle.

The screenshot shows a Moodle submission interface. On the left is a navigation menu with tasks like 'Task 14 [2 points]', 'Task 15 [2 points]', 'Task 16 [3 points]', and 'Task 20 [3 points]'. The main area contains a task description and a 'File submissions' section. A large dashed box indicates the file upload area. A blue box with a circled '1' says 'Drag and drop files in.' pointing to this area. A smaller blue box with a circled '2' says 'Ensure that the file type is acceptable. Note that images and videos taken using WhatsApp may not be accepted.' pointing to the 'Accepted file types' list: Image (GIF) .gif, Image (JPEG) .jpeg .jpg, Image (PNG) .png, and Image (SVG+XML) .svg. A red box with a circled '3' says 'Ensure that the file is below the maximum size.' pointing to a box that says 'Maximum file size: 20 MB, maximum number of files: 1'. A white box with a blue border says 'Maximum file size: 2 MB, maximum number of files: 1' pointing to the same box. At the bottom are 'SAVE CHANGES' and 'CANCEL' buttons.

③ Ensure that the file is below the maximum size.

Maximum file size: 2 MB, maximum number of files: 1

3. SUBMITTING RESPONSE TO A TASK

3.7 Saving a Submission

The screenshot shows a web application interface for submitting a task response. The browser address bar indicates the URL: `youngscientist.ssglobal.com.sg/mod/assign/view.php?id=727&action=editsubmission`. The page has a dark red header with navigation links: Home, Dashboard, My courses, and a user profile icon labeled 'S1'. A left sidebar contains a list of tasks, with 'Task 16 [3 points]' selected. The main content area displays the task instructions: '1. Fill container with soil.', '2. Put seed into soil.', '3. Water once per day.', '4. Track its growth over the past two weeks.' Below the instructions is a text box containing the sentence: 'Plants, through photosynthesis, help release oxygen into the environment. Some plants are also a source of food for humans.' At the bottom, there is a 'File submissions' section with a file upload area. A blue callout box with a white circle containing the number '1' points to the 'SAVE CHANGES' button, which is highlighted with a red border. The callout text reads: 'Click 'Save Changes' once text / files (e.g. images, videos) are submitted. Your work for the Task will be saved.'

3. SUBMITTING RESPONSE TO A TASK

3.8 Submitting Response to a Task

1 Click 'Submit Assignment' to submit your work. Your work can be viewed in the table below.

Take a video or a series of photos, showing how a seed grows into a plant. Describe the steps you took to grow the seed into a plant. Also, state the benefits of plants towards the environment and society.

SECTION 5

eBADGES AND eCERTIFICATES

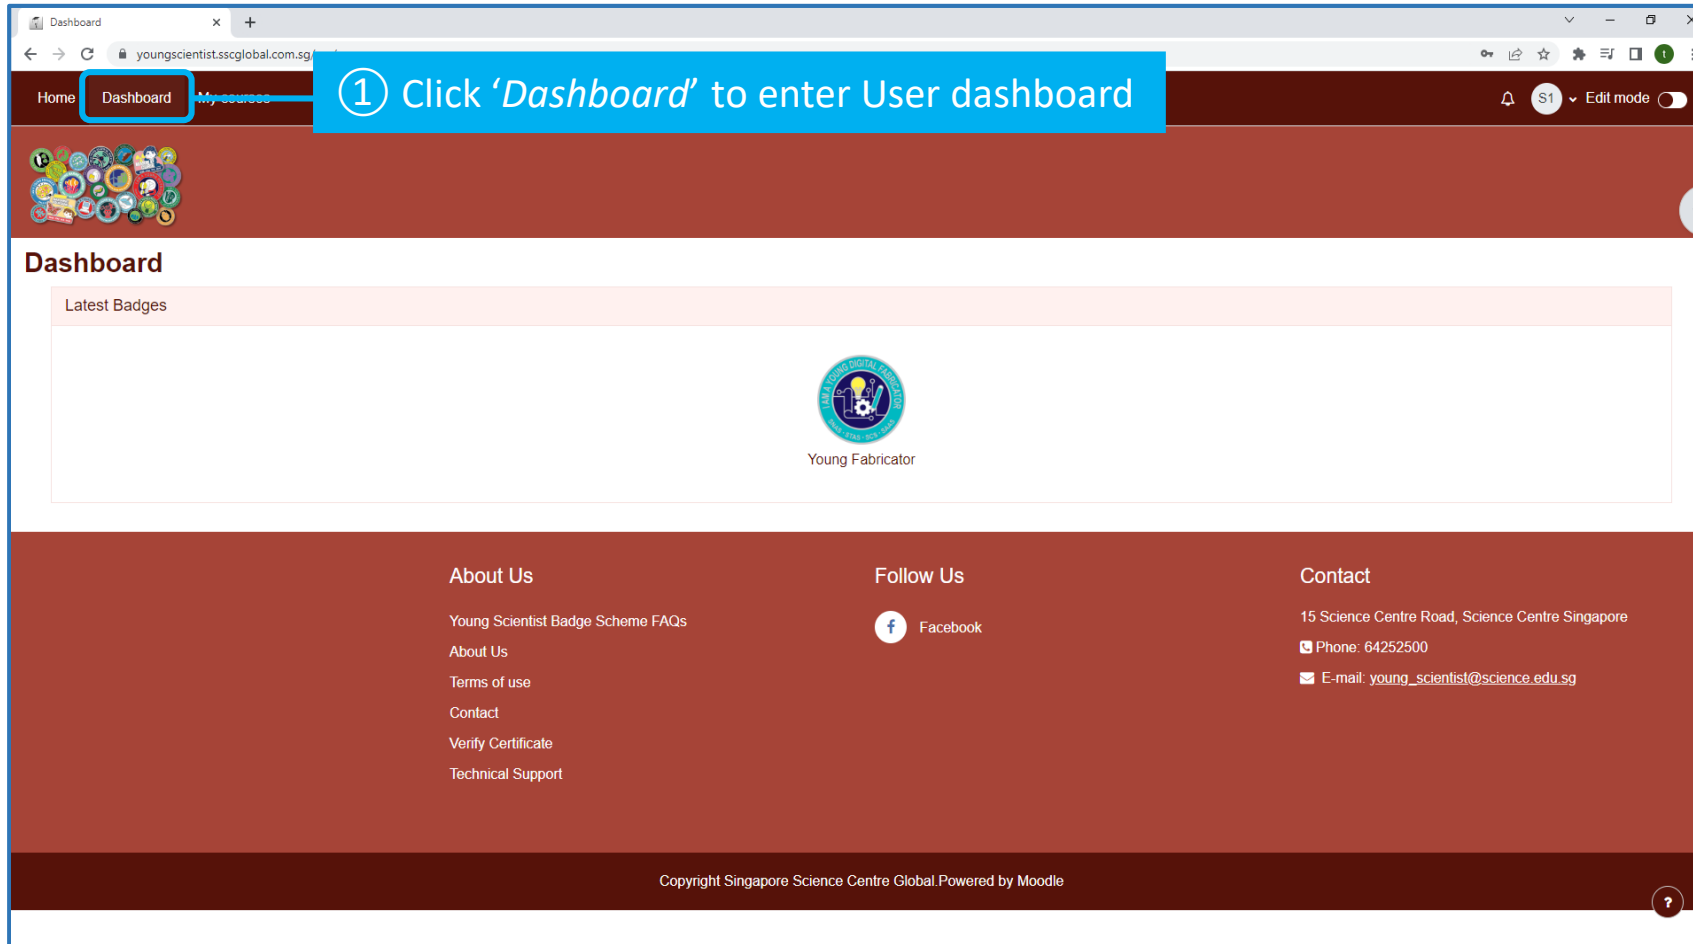

5.1 Criteria for eBadges and eCertificates

1. You will need to obtain at least 15 stars for a given *Course* to be automatically awarded with the eBadge.
2. In addition to obtaining 15 stars, you will need to complete the Programme Feedback to access and download the eCertificate.

5.2 Viewing all Awarded eBadges

All awarded eBadges can be viewed under 'Latest Badges' in the User dashboard.

The screenshot shows a web browser window with the URL youngscientist.ssglobal.com.sg. The navigation menu includes 'Home', 'Dashboard', and 'My sources'. A blue callout box with a circled '1' points to the 'Dashboard' link, containing the text 'Click 'Dashboard' to enter User dashboard'. The main content area is titled 'Dashboard' and features a 'Latest Badges' section. A single badge is displayed, titled 'Young Fabricator', with a circular logo. The footer contains three columns: 'About Us' with links to 'Young Scientist Badge Scheme FAQs', 'About Us', 'Terms of use', 'Contact', 'Verify Certificate', and 'Technical Support'; 'Follow Us' with a Facebook icon; and 'Contact' with the address '15 Science Centre Road, Science Centre Singapore', phone number '64252500', and email 'young_scientist@science.edu.sg'. The footer also includes 'Copyright Singapore Science Centre Global. Powered by Moodle' and a help icon.

5.3 Viewing Awarded eCertificates in a Course (1)
