

STEP Sunburst Science Educators Programme

Parent Consent Form

Dear Parent / Guardian,

Science Centre Singapore warmly welcomes your child/ ward to join STEP Sunburst Science Educators Programme.

As a Science Educator, your child / ward gets a chance to:

- Increase their interest and knowledge in a variety of science and mathematics topics;
- Communicate science concepts to a range of listeners and share their passion for science;
- Develop relevant social skills within an inclusive and welcoming approach;
- Build character values such as empathy, responsibility, teamwork and leadership.

As your child / ward is under 18 years of age, he / she requires your consent to join our programme. Thus, kindly fill up the bottom portion and have your child / ward to submit this form to us when he / she attends the Orientation for this programme.

To STEP Sunburst Science Educators Programme Coordinator,

I, _____ (Name) _____ (IC No.), parent / guardian*
of the applicant, _____ (Name) _____ (IC No.)
_____ (School), give my consent for him / her to join STEP Sunburst
Science Educators Programme. I certify that all information given by the applicant in the
application form is true and correct.
