

## Volunteer Programme Consent Form

- For volunteers below 18

Dear Parent / Guardian,

Science Centre Singapore warmly welcomes students of 14 years and above to join our family as volunteers.

As a volunteer, students get a chance to:

- Put scientific knowledge to good use;
- Benefit the young and general public with a better understanding of science;
- Interact with people from all walks of life and age groups.

Students may achieve this by being a voluntary Science Explorer / Exhibition Guide.

As your child / ward is under 18 years of age, he / she requires your consent to join our volunteer programme. Thus, kindly fill up the bottom portion and have your child submit the form to us when he / she attends the Corporate Induction Programme for volunteers.
