Terms and conditions of rental

Bookings, cancellations and amendments

1. 50% cancellation fee will be levied for any cancellation made within 1 month before programme date.
2. All cancellation & any booking amendments have to be sent to us at least 10 working days (by 5.30pm) before your programme dates to avoid any penalty charges.
3. Full programme fee will apply for any amendment or cancellation within 10 working days of scheduled booked date, no show, if the number attending falls below the minimum number for the programme or if the group is late for more than 30 minutes without notification.
4. Programme fee will be charged based on the quantity stated. Should the actual number of participants or shows be higher than stated number, additional charges will apply accordingly.
5. All bookings received will indicate that participants have agreed to the cancellation policy.

Billing and invoicing

1. An invoice will be sent to your school upon confirmation of the rental.
2. Payment can be made by cheque or IFAAS.

Proper usage of planetarium

1. The portable planetarium (projector, dome, fan and power supply) must be used only in the manner as instructed by the staff of Science Centre.
2. The portable planetarium must be used only in the venue stated in the booking form.
3. The maximum capacity of the portable planetarium must not be exceeded. The capacity of the portable planetarium is stated on the booking form.
4. The renter must take reasonable care in handling the portable planetarium. Should the equipment be damaged due to negligence by the renter, the renter will be liable for the cost of replacing the faulty item(s).
5. Any improper usage of the portable planetarium may incur damage charges.

Science Centre Singapore reserves the right to amend the terms and conditions without prior notice.
