1. Show You Can! 2018

Theme: *SPORTlight's on Me!*

Leading a healthy lifestyle is more than just having a balanced diet. Other aspects, such as fitness and having an active lifestyle, are also important in our lives. Playtime at parks or playgrounds, as well as picking up sports that your child is interested in, are essential in ensuring that your child is actively engaged.

'Show You Can 2018' is an annual event for young children to showcase their learning through creative performances. The theme aims to create awareness of a healthy lifestyle in children through engaging in physical activities and sports. It also encourages them to explore the element of fun in various physical activities and sports.
